Ambition's Notice Regarding Introduction of Latest IoT Device Enabling Operation of Home Appliances at Home or from Outside

Name	Ambition Corporation (Securities Code: 3300)
Overview	Ambition has introduced a service of VERIOT, a state-of-the-art IoT device, at PREMIUM CUBE G Ichigaya Kouracho developed by Veritas Investment Co., Ltd., a subsidiary of Ambition. This service exclusive to residents is a standard and free-of-charge feature providing safety and convenience for daily life through easy operation of home appliances at home or from outside using smartphones.
Service details	By downloading the dedicated app, VERIOT, to a smartphone and performing the initial set up, residents can operate various home appliance at home or from outside using their smartphone. This service has three major features. First, as a service exclusive to residents, it can be used as exclusive chat tool to communicate with the lease management company, which is Ambition, in addition to remote control operation of various home appliances. Second, as a service exclusive to owners, it provides information on property management conditions and notices and can be used as an exclusive chat tool to communicate with the property management company, which is Veritas Investment. Third, it provides information regarding condominium management as a free media service available to everyone.
Future initiatives	Ambition plans to introduce the service sequentially to the PREMIUM CUBE series planned to be constructed hereon in order for residents to experience state-of-the-art IoT technology and realize safety and convenience in daily life.
